

Gospel Football club for Kids

In order to prepare the future generation to love the Lord and to make Christians strong disciples, the Sun of Hope has developed a special program for the evangelization of children.

This program built around sports brings together nearly 300 children in different parts of the city and in some villages.

The teaching of God's word to children is through Bible stories comic books and other games to stimulate children's interest. Football tournaments are also organized from time to time to allow more children to meet even those who are not members of our clubs.
